

Moving ministries forward, *together.*

### **What is recurring giving?**

Recurring giving is simply when you complete a one-time set-up to schedule a gift to be automatically deducted from your bank account (sometimes referred to as direct payments or ACH payments), charged to your credit card, or made through your bank's bill pay option on a recurring basis.

You can schedule the gift at whatever frequency is best for you, whether that's monthly, weekly, or quarterly.

If you select direct payments or use a credit card, you give the church permission to draft directly from a bank account or charge the card, either indefinitely or for a set period of time. If you utilize your bank's online bill pay system, no setup is required from the church. The bank will generate an electronic check and mail it USPS to the church; many banks do not charge for this service.

### **How can my recurring gift help the church?**

The consistency that recurring giving provides means more accurate budget forecasting and more level amounts of contributions throughout the year.

### **How can my recurring gift help me?**

What we do with our time, talent, and treasure impacts our faith in transformative ways. Making a commitment to a recurring gift is part of this transformation; it is an opportunity to say, "I believe in what we are doing as a church and in who we are becoming together in Christ."

It can also give you peace of mind, as after you have set it up, your gift to the church is being made without you having to do a thing!

### **How much do I have to give to make a recurring gift?**

Your gift should be grounded in your faith, love and commitment to God's work through our church. There is no minimum amount required; however, there are fees associated with credit card processing and direct/ACH payments. *Insert fee information here if church has its own online giving platform; if using MMFA's Giving Portal, [visit our website](#) for the most current fee information.*

### **What happens if I need to make a change to my recurring gift?**

Simply contact *insert appropriate name/phone number/email* or your bank if utilizing bill pay.
