

Gifts of Stock

GIVE MORE IMPACT

Appreciated stock can be one of the most effective ways to support the Moravian churches and ministries you love. By giving stock directly through MMFA, you avoid capital gains taxes, receive eligibility for valuable tax benefits, and put your gifts to work for ministry.

WHY CONSIDER A GIFT OF STOCK?

- Avoid capital gains taxes that would otherwise be due
- Receive a potential charitable income tax deduction
- Give meaningfully without using cash on hand
- Put the full value of your investment to work for ministry

Moving ministries forward, together.

HOW IT WORKS

Tell us which Moravian churches or ministries you'd like to support, and we'll send simple transfer instructions to you or your broker/financial person. Once the transfer is complete, your gift goes to work for ministry right away.

WHAT'S NEXT?

Stock is just one way to support the churches and ministries you love. MMFA can also help you explore charitable gift annuities, charitable remainder trusts, donor-advised funds, named funds, and other giving options that align with your goals.
